ACADEMIC PROJECTS

- **HR and Inventory Management System**

This is a group project with four members. This project was done by our team to manage HR and inventory in Lucky Lanka Dairy Product Company. I did the following tasks in this project.

- Manage All Users authentication
Create login (with privileges) and logout for users, User Password Reset Service, Email Service.

- Real-time Monitoring for HR Manager

- **Learning Management System**

This is a Group Project with four members. Here our team created a university learning management system. I created the student management section.

EXTRACURRICULAR ACTIVITIES

- Member of ICT Circle
